DEPARTMENT OF AGRICULTURE IN MYSORE.

OFFICE OF THE DEPUTY DIRECTOR OF AGRICULTURE, BANGALORE.

Notification dated 30th June 1937.

Sealed tenders will be received by the undersigned up to 4 P.M. on 25th July 1937, for the supply of miscellaneous articles required for the Nagenahalli Paddy Breeding Station, Mysore, (six miles from Mysore on the Mysore-Bangalore Road), during the official year 1937-38. Tenders will be opened by the undersigned at 5 P.M. on 25th July 1937 in the presence of as many tenderers as may choose to attend and the rates will be read out to them.

The approximate quantities and description of the articles required are given in the statement below. Tenders should be superscribed "Tenders for the supply of Miscellaneous Articles for the Nagenahalli Paddy Breeding Station, Mysore" during the year 1937-38.

An earnest money of Rs. 100 should be deposited in the Mysore District Treasury in favour of the Junior Assistant Botanist, Nagenahalli Paddy Breeding Station, Mysore, and the Treasury chellan obtained therefor should accompany the tender, without which the tender will not be received.

Tenders should quote for the delivery of the articles on the Breeding Station, six miles from Mysore on Bangalore-Mysore Road. Each group of articles will be considered as a separate tender by itself.

The quantities given in the statement are only approximate and the actual quantities to be purchased during the year may either be more or less. If quantities more than those mentioned in the schedule are required, the successful tenderer will be bound to supply such additional quantities at the accepted rate.

No claim for compensation on account of rise in prices due to whatever cause will be entertained during the contract period.

The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, such indents being complied with within two days from the date of their receipt.

The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of tender.

Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a ruppe will be omitted and half a rupee and more taken as a rupee. Totals of bills for less than Rs. 25 will be rounded to the nearest anna.

The articles to be supplied should be good and will be liable to be rejected at the expense of the tenderer if they are otherwise.

The earnest money deposited with the tender will be forfeited to Govenrment, if the tenderer whose tender is accepted fails to execute the necessary agreement. The earnest money received with the rejected tenders will be returned to the parties at their own cost.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the earnest money forfeited to Government. Further, in the event of the successful tenderer failing to fulfil the contract within the specified time, the undersigned reserves the right to purchase the required articles in the open market, at his risk and expense and claim damages. The tenderer should also bind himself to supply any other articles required by the station at the current market rates.
